

Instruction to create a 'New Account' and Register as an Organizer in Spoken Tutorial Website (<http://spoken-tutorial.org>)

Before you can request for Software Trainings and Tests, you as an Organiser of your Institute, need to create an account, assign yourself a Username and Password in the Spoken-Tutorial Website.

Follow the steps given below and inform the Training Manager at IIT Bombay that you have completed both the steps (1 & 2).

Step 1 : To create an account follow these steps :

- Type <http://spoken-tutorial.org/accounts/register/> in the browser. This is the link which you should enter to create your account.
- Fill in the details, your Username, Email-ID, password (should be minimum 8 character long) for your account and type the caption (Captcha) which appears in the box.
- Click on “Register Me”.

The Username and Password which you enter will be of your choice. Please do not forget it, as it will be required in future (for logging-in everytime).

Note : You will be confirmed as an organiser and receive an authentication mail/ notification within 24 hrs after creating an account. Now you must proceed to complete your Profile , that is the Organiser details.

Wait for the notification mail from the administrator.

- You will receive an e-mail from **administrator@spoken-tutorial.org**
- In the e-mail you will receive a link to Activate your spoken-tutorial.org account.
- Type <http://spoken-tutorial.org> in the browser and login using your Username and Password.
- Also e-mail the complete Name and Address of your Institution along with Street name and Pincode (to the Training Manager with whom you are in contact with at Spoken-tutorial Project IIT Bombay). This will be the Institution name that will be registered on our website and the same will appear on the Certificates later.
- You can find the Contact details of the Training Manager on the link <http://process.spoken-tutorial.org/index.php/Software-Training#Contacts> For Training
