

Training Calendar for upcoming semester (Jan 2015- June 2015) (Engg./ Technology/ Sciences)

Date	Time (lab hours)	FOSS Name	Year	Semester	Department	Course name	Total No. of Students in Batch
			1st	2nd	Electronics & Communication		
					Computer Science Engineering		
					Information Technology		
					Mechanical Engineering		
					Civil Engineering		
					Chemical Engineering		
					Electronics & Instrumentation		
					Automobile Engineering		
					Biomedical Engineering		
					Physics		
					Mathematics/ Statistics		
					Chemistry		
					Comp. Science/ IT		

Training Calendar for upcoming semester (Jan 2015- June 2015) (Engg./ Technology/ Sciences)

Date	Time (lab hours)	FOSS Name	Year	Semester	Department	Course name	Total No. of Students in Batch		
					Basic IT Skills/ Computer fundamentals				
					Biotechnology				
			2nd	4th	Electronics & Communication				
					Computer Science Engineering				
					Information Technology				
					Mechanical Engineering				
					Civil Engineering				
					Chemical Engineering				
					Electronics & Instrumentation				
					Automobile Engineering				
					Biomedical Engineering				
					Biotechnology				
							Physics		

Training Calendar for upcoming semester (Jan 2015- June 2015) (Engg./ Technology/ Sciences)

Date	Time (lab hours)	FOSS Name	Year	Semester	Department	Course name	Total No. of Students in Batch
					Mathematics/ Statistics		
					Chemistry		
					Comp. Science/ IT		
					Basic IT Skills/ Computer fundamentals		
			3rd	6th	Electronics & Communication		
					Computer Science Engineering		
					Information Technology		
					Mechanical Engineering		
					Civil Engineering		
					Chemical Engineering		
					Electronics & Instrumentation		
					Automobile Engineering		
					Biomedical Engineering		

Training Calendar for upcoming semester (Jan 2015- June 2015) (Engg./ Technology/ Sciences)

Date	Time (lab hours)	FOSS Name	Year	Semester	Department	Course name	Total No. of Students in Batch
					Biotechnology		
					Physics		
					Mathematics/ Statistics		
					Chemistry		
					Comp. Science/ IT		
					Basic IT Skills/ Computer fundamentals		
			4th (Final year)	8th	Electronics & Communication		
					Computer Science Engineering		
					Information Technology		
					Mechanical Engineering		
					Civil Engineering		
					Chemical Engineering		
					Electronics & Instrumentation

IMPORTANT

1 Nominated /Appointed Faculty organisers per department must register and have their own login ID.

[To Create a new Account / Register as an Organiser](#)

2 They can easily raise Training Requests from the spoken-tutorial site for their batches in this way.

[Training / Workshop Request Sheet](#)

3 At least 2 days before the start date the course/s must be downloaded and installed in all the systems in the designated lab.

[For Downloading the Tutorials](#)

4 Complete this form and print it on college letter head. This signed scanned copy must be sent to the Spoken Tutorial IIT Bombay training coordinator.
